

**Evaluator Services and Technology Inc.
Blair County Reassessment Office**

To: Taylor Twp., Roaring Spring Borough.

Blair County is in the process of a reassessment project. The Blair County Reassessment Office will start data collection in your districts approximately June 17, 2015. Data collectors will visit all residences in the township and borough, measure, photograph and gather information. All will have County issued ID badges, green Assessment vests, and vehicle identification. At NO time will data collectors ask to enter residences. Please have home owners contact proper officials or this office at any time to verify data collectors work for Evaluator Services and Technology Inc.

At this time residential properties will be visited. Commercial data collection will start at a later date.

A list of data collectors and their vehicles will be included with this notice.

Please contact this office at any time with questions.

Thank you.
